Acrylite® OP-4

ACRYLIC SHEET

Evonik Cyro LLC warrants all users that ACRYLITE® OP-4 acrylic sheet will transmit 85 percent or more of the available 340-nanometer light for the first 10,000 hours of exposure. User's lamps must be 100-watt or smaller and must emit ultraviolet radiation in the 300-400 nanometer range. In addition, they must have been positioned one inch or more from the sheet. The ambient air temperature must be 140°F or less and sheet thickness must be 3/16 inch or less.

The transmission value at 340nm is measured on a cleaned sample using a suitable spectrophotometer equipped with a collecting sphere (for example, Perkin-Elmer model Lambda 9 with a Labsphere DRT-9 6-inch diameter sphere).

Yellowing or loss of light transmission due to scratches, dirt, crazing, breakage or other damage are not covered under this warranty. The warranty also does not cover staining caused by cosmetic or other lotions or improper cleaners, lotions or disinfectants. For a list of acceptable cleaners and disinfectants, consult your local ACRYLITE acrylic sheet distributor or visit the Technology Center at www.acrylite.net.

THE FOREGOING IS THE SOLE WARRANTY APPLICABLE TO ACRYLITE OP-4 ACRYLIC SHEET, EXPRESS OR IMPLIED. ALL WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARE EXCLUDED. THIS WARRANTY COVERS LIGHT TRANSMISSION ONLY, AS STATED ABOVE. ACRYLITE OP-4 SHEET IS NOT COVERED BY THE 10-YEAR WARRANTY AGAINST LIGHT TRANSMISSION LOSS WHICH APPLIES TO OTHER TYPES OF SMOOTH, COLORLESS ACRYLITE SHEET. UNDER NO CIRCUMSTANCES IS THERE ANY WARRANTY OR LIABILITY REGARDING CRAZING OF THE SHEET. EVONIK CYRO LLC IS NOT RESPONSIBLE FOR THIS PRODUCT'S USE OR THE HEALTH OR SAFETY OF PERSONS COMING IN CONTACT WITH THIS MATERIAL. USERS SHOULD TEST THEIR APPLICATION PRIOR TO COMMERCIALIZATION.

Evonik Cyro's sole liability regarding ACRYLITE OP-4 acrylic sheet will be to replace any sheet found by Evonik Cyro not to meet this warranty. At Evonik Cyro's option, we may elect to refund the price of the sheet as it appears on our price list. Also, Evonik Cyro assumes no liability for the cost of removing defective sheet or installing replacement sheet, nor for damage to persons or property, or indirect, incidental or consequential damages.

In order to make a claim under the foregoing warranty, write to Evonik Cyro LLC, 379 Interpace Parkway, Parsippany, NJ 07054-0677, or write or call your nearest authorized ACRYLITE sheet distributor. If you write, be sure to include your address and a phone number where you may be reached. An Evonik Cyro representative will contact you to examine the sheet. At such examination, you will be required to present to the representative a sales slip or other evidence satisfactory to Evonik Cyro.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This warranty is for ACRYLITE® OP-4 acrylic sheet and does not cover any other Evonik Cyro sheet products. Contact Evonik Cyro for information on other sheet products.
