

ACRYLITE® Sheer Textured acrylic sheet

Translucent Patterns

ACRYLITE® Sheer Textured acrylic sheet reveals a patterned appearance through its smooth, translucent surface. The distinctive surface hides the appearance of scratches and fingerprints, making it a beautiful choice for P-O-P, store fixture and architectural applications.

The look of delicate patterned glass with all the advantages of acrylic:

- Creates a teasing optical interplay of light as it both hides and reveals
- Offers a crystalline glass-like appearance with the warmth and safety of acrylic
- Easy to fabricate - cut, route, drill, line bend and polish
- Lightweight for reduced freight costs and easy handling
- An ideal complement to the Sterling Collection line

Three decorative patterns:

- Radial
- Shards
- Sand Drift

Available in:

- Thickness: 0.118" (3 mm)
- Size: 48" x 96" (1220 x 2440 mm)

ACRYLITE Sheer Textured sheet from Evonik Cyro LLC allows you to create displays that are innovative in design and revolutionary in visual effects.
