

Application story

ACRYLITE® Satinice

Exterior light diffusing louver panels

Market segment

Industrial Construction/Roof and Facade

Location

Albany Creek State High School

Product

ACRYLITE® Satinice 6mm,
Laguna (5H74 DC) / Kiwi (6H07DC) /
Plum (4H01DC) / Snow (WH10DC)

Selection criteria

Light transmission and diffusion, trendy color
palette and longevity against UV breakdown

Fabricator

Allstar Plastics Pty Ltd
www.allstarplastics.com.au

Designer

Mode Design
modedesign.com.au

Description of the application

Mode Design chose ACRYLITE® Satinice velvet
texture for this project due to its unique light
transmission, 3D formability, rigidity and durable
satin finish.

The vivid color palette matches the school's colors
and created an architectural identification feature
the students could relate to.
